

LOUD ABOUT US! is a duet of great DJs and friends - Camil and Christopher.

Sharing the same passion in music, in 2015 they decided to join forces together and create a new project under the alias **LOUD ABOUT US!**, which quickly began to achieve first successes.

It began with **Skrillex**, who played the remix of "**Big Riddim Monsta**" created by **LOUD ABOUT US!** during the party in New York.

After this event, the interest in the duo greatly increased, and their work gained more and more fans.

The immense potential of the duo was also noticed by **Don Diablo**.

In 2017 **LOUD ABOUT US!** published their hit track "**Drums**" (Hexagon/Spinnin' Records), so far played on the biggest music festivals, by the top DJs in the world, such as:

Tiesto,
Martin Garrix,
Afrojack,
Showtek,
R3HAB

Dimitri Vegas & Like Mike,
JAUZ,
W&W,
Sikdope,
Blasterjaxx...

On August 17th, an EP **Festival Weapons** was released via Hexagon label. You can find there another track by **LOUD ABOUT US!** "**Kill the Beat**". Undoubtedly it is the next dose of energetic sound and guaranteed candidate for a new mainstage hit.

In the near future, this DJ duo will certainly surprise us with their creativity and talent.

We encourage you to follow their dynamically developing career!
